

# Songwriting Workshops

presented by

# =ELIJAH=

Elijah has developed a unique songwriting workshop to engage and inspire songwriting and creativity

As heard on BBC Radio 2, Radio 1, Xfm, Absolute Radio

With 20 years experience as a songwriter/performer/radio plugger/promoter/record maker and recording artist Elijah has written a book, 'The Songwriters' Handbook. and developed a workshop and course in songwriting to help anyone write a song and develop their creativity and imagination whether they have any musical background or not. He is DBS checked and has worked with young musicians and performers for over 15 years at his Howl Open Mic events across the South-West. He can also offer his book at a discount rate to students and schools.
